

## 2017 PRESIDENT'S CHALLENGE

### I LOVE HATS

The challenge I am presenting this month is titled: *I LOVE HATS*  
I love to wear hats. Especially in the winter to keep me warm. I have worn hats  
In the summer to be fanciful. I wore a hat to the Tea this year. I am sure all of us  
have worn a hat at some point in our lives. Hats were very popular when I was a young.  
Hats also remind me of my childhood.

Your challenge is to pick a hat you love. Other things may be in the quilt, but the main focal  
point, must be your hat! Present that hat in a quilt no larger than 30 x 30 and no smaller than  
12 x 12. Please quilt and bind your entry.

You may use any type of fabrics, embellishments, buttons and beads. You may use as many  
colors as you like.

Judging will not be on quilting techniques. Judging will be on the artistic ability, we all have in  
us. Oh, one more thing, I want you to write 1 or 2 paragraphs on the reason you chose the hat  
and why. Make a small pocket on the back of your quilt and place your written information in  
the pocket.

This project can be given to the President any time before June 30, 2017. Voting by the  
members will be at our July 2017 meeting.

This challenge is open to all Stringtown members. Please participate in this fun challenge and  
hopefully we can make the President's Challenge an annual event.

Prize will be a \$50 gift certificate towards your next SQG retreat expense.
